

Parent Teacher Organization / Annual Enrichment Fund

Parent Teacher Organization (PTO)

The Embry Hills PTO is comprised of a very involved group of parents. Please look for information regarding meetings and fundraisers throughout the year. Our regular meetings are held in September/October and January of each year.

We always need parents to volunteer in many different roles. Some of the volunteer roles include room parents, teacher appreciation, and other fun opportunities. We are appreciative of all that our parents do to make Embry Hills a special place for the children!

Annual Enrichment Fund

Our school relies on various fundraisers each year in order to keep tuition costs among the lowest in the community. The largest fundraiser is our Annual Enrichment Fund, which was established during the 2015-16 school year in lieu of our traditional Silent Auction. Over \$5000 was raised last year, and these funds pay for sand/mulch for our two playgrounds (approximately \$3000 annually), playground equipment repairs/maintenance, continuing education workshops for teachers (approximately \$2000 annually), and new classroom furniture as needed (approximately \$1600 annually). The Annual Enrichment Fund fee is \$50 per student. More details will be available in the fall.

Additional Fundraisers

In addition to our Annual Enrichment Fund, the PTO conducts several smaller fundraisers each year. These fundraisers typically include Book Fair, Breakfast with Santa, Original Works, Boxtops for Education, Family Fun Night, and Spirit Nights at various restaurants. We always are looking for parents to help with these fundraisers!
